

SUMMER Suits

What we mean by SUMMER Suits are hot weather suits proper.

Unlined Mohairs and Serges

The time was when unlined coats had no shape—no built-up shoulders (and some clothiers we know sell that kind still) but our Mohair and Serge Coats, while the body is UNLINED, making it LIGHT and COOL, the shoulders are built up with that same care and graceful, shapely proportions as are our heavy, full tailored suits.

They are light
They are comfortable
They are built LIKE CLOTHES

Only in coat and trousers at \$10, \$12.50, \$15, \$20

100 pair light weight summer trousers, every pair new, every pair a good pattern, made in 1912. See them in our windows; original price \$3.50 to \$7.50 the pair, reduced \$1.50 to \$2.50 each.

THE FARMERS

Posted—Chas. Semonts.
William J. Beck.

Six young Jersey cows for sale. M. S. Baughman.

For Sale.—100 No. 1 mountain ewes just in from the mountains. A. T. Nunnally.

Are you ready for the K. of P. fair? If not, I can supply your wants in harness, saddles, fine driving and riding bits, whips, spurs etc. J. C. McClary, Stanford.

J. H. Thompson sold a quantity of baled hay at \$16 per ton.

About 40 acres of buckwheat are being sown on the farms of M. F. Lawrence and John B. Anderson.

B. I. Blankenship found something of a curiosity in his garden. A two-pound specimen of the summer squash or "simpling" which had a nice bloom on the squash where the bloom producing it should have long since perished and dropped. No stem connection between bloom and fruit and had it developed would have been a freak.

County Sheep Inspector Bledsoe Bailey was busy this week superintending the disinfection of the cattle pens at Rowland. A bunch of sheep infected with a hoof and mouth disease were shipped into Rowland from Mr. Kavanagh, of Garrard, and exported from the Rowland pens. Mr. Bailey received notification of the discovery of the disease among the flock, and was instructed to have the pens at Rowland disinfected at once, which he did.

J. D. Eads and sons, of the Danville pike, began the delivery of 1,600 bushels of wheat to J. H. Baughman & Co.'s mill here Tuesday. They got \$1 a bushel for it, which is the prevailing market price in this section, although only 90 cents is being paid for it around Lebanon. The Eads wheat is said to be exceptionally fine in quality, and will probably be saved for seed wheat, as it grades so well. It averaged about 25 bushels to the acre.

Lilburn Gooch and a number of other farmers in the Gilbert's Creek section delivered their wheat crops to Banks Hudson's mill at Lancaster this week. They received \$1 a bushel for it. Mr. Gooch sent in about 500 bushels. W. G. Gooch had about the same amount and R. C. Duddler sold about 350 bushels.

W. H. Underwood sold a pair of nice yearling mare mules to Walter O. Walker, this week for \$275.

G. L. Allen of Georgetown, was in Lincoln last week, visiting his brother E. Allen, near King's Mountain. While here Mr. Allen bought 140 acres of nice land from John McKee, which adjoins the place owned by his brother. This makes a tract of land, than which there is no better in the southern section of the county. The Messrs. Allen are hustling and progressive farmers. E. Allen sold to J. A. Robinson last week 99 lambs and 38 ewes, at the market and also delivered him a young calf for which he was paid \$12.50.

Nevin Carter's crack young three-year-old stallion, Kentucky Gentleman started his show ring career at Frankfort last week and took second premium in the class in which he was entered, being beaten by the crack youngster Mozart. Walter Briggs, of Shelbyville, who has him in charge, expects better things the rest of the season, as the youngster is still decidedly green. A writer in the Farmers' Home Journal, speaking of Briggs' stable, said in a recent issue of Mr. Carter's horse: "His candidate for the three year old honors is the 2nd stallion Kentucky Gentleman, by Chester Pen-

vine. This horse has wonderful conformation and speed. He is more like that champion of champions, Edna May, than any horse living. He has that same bold way of going and exactly her same expression."

Liberty Defeats Hustonville.

Liberty, Ky., Aug. 1.—Last Saturday Liberty defeated Hustonville by the score of 4 to 0 on the latter's grounds. The game was very interesting until the eighth inning when Liberty made three runs. The feature of the game was the batting of Woodrum, Wesley and Mr. Allen.

HAPPY THO' MARRIED?

There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter. The feelings of nervousness, the befogged mind, the ill-temper, the pale and wrinkled face, hollow and circled eyes, result most often from those disorders peculiar to women. For the woman to be happy and good-looking she must naturally have good health. Dragging-down feelings, hysteria, hot-flashes or constantly returning pains and aches—are too great a drain upon a woman's vitality and strength. Dr. Pierce's Favorite Prescription restores weak and sick women to sound health by regulating and correcting the local disorders which are generally responsible for the above distressing symptoms.

"I suffered greatly for a number of years and for the past three years was so bad that life was a misery to me," writes Mrs. H. F. Dugger, of Ulen, Ohio, Route 4. "The doctors told me I would have to go to a hospital before I would ever be better. A year ago this winter and spring I was worse than ever before. At each period I suffered like one in torment. I am the mother of six children. I was so bad for five months that I knew something must be done, so I wrote to Dr. R. V. Pierce, telling him as nearly as I could how I suffered. He outlined a course of treatment which I followed to the letter. I took two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery' and a fifty-cent bottle of 'Smart-Weed', and have never suffered much since. I wish I could tell every suffering woman the world over what a boon Dr. Pierce's medicines are. There is no use wasting time and money doctoring with anything else or any one else."

The Medical Adviser by R. V. Pierce, M. D., Buffalo, N. Y., answers hosts of delicate questions about which every woman, single or married ought to know. Sent free on receipt of 31 stamps to pay for wrapping and mailing only.

THE POWER OF

-- A Name --

You can't tell a good man by his clothes.
You can't tell a good book by the cover.
You can't tell a good cigar by the wrapper.
Neither can you tell

GOOD CANDY By The Box.

But you can tell good candy by the name it bears or what is back of the box.

NUNNALLY'S

Means to Candy just what Sterling means to Silver.

At PENNY'S, The Rexall Store.
